

We Build Better.

J&J VÜ Retro

LED Nicheless Pool & Spa Fixture

J&J Electronics

RADIANT, RELIABLE AND REFINED

Whether you're renovating your pool or seeking a reliable replacement for a lighting system, the J&J VŮ Retro Color LED light is the ideal solution for performance and durability. Designed to fit in a Pentair® GloBrite® Niche, as well as a standard 1.5" threaded wall fitting, it offers an easy installation process without compromising illumination.

- » **Reliability Redefined:** Built to outlast and outperform using a robust construction that reduces internal heat generation and isn't prone to cracking
- » **Engineered for Effortless Retrofitting:** replaces existing lights without the need for modification for quick replacement
- » **Available in RGBW:** Works with Pentair IntelliCenter® Pool Control System or ColorSync™ Controller for Pentair Color LED pool lights (as based on independent third party testing data).
- » **2-year Warranty**
