

# J&J VÜ Retro

LED Nicheless Pool & Spa Fixture

*J&J* Electronics

## RADIANT, RELIABLE AND REFINED

For pool builders and service professionals, the J&J VU Retro light is the ideal solution for premium performance and long-term durability in renovation and lighting replacement. Designed to fit in a Pentair® GloBrite® Niche (25014P and 25015P,) as well as a standard 1.5" threaded wall fitting, J&J VU Retro Color LED lights offer an easy installation process without compromising illumination.

- » **Reliability Redefined:** Built to outlast and outperform using a robust construction that reduces internal heat generation and isn't prone to cracking.
- » **Engineered for Effortless Retrofitting:** Replaces existing lights without the need for modification for quick replacement.
- » **P Model:** Works with Pentair IntelliCenter® Pool Control System, ColorSync™ Controller for Pentair Color LED Pool Lights, and installs into Pentair GloBrite® niche and a 1.5" threaded wall fitting.†
- » **J Model:** 5:1 mode compatibility including Jandy AquaLink® RS Pool & Spa Automation System and Jandy® WaterColors LED Light Controller.\*
- » **2-year Warranty**

†As based on independent third-party testing data
