POWERFUL. RELIABLE. CONNECTED.

True 4.0 HP performance engineered with the industry's most innovative features delivers maximum versatility to your pool. These pumps feature the new integrated universal display that seamlessly connects with Omni®, OmniX and competitive automation systems. With its simple and intuitive operation, comprehensive control is delivered with enhanced programming and advanced diagnostics. No matter the situation, this pump is the solution: new construction, drop-in replacement, or commercial applications.

INTUITIVE INTERFACE

Designed with usability and flexibility in mind, the new universal display offers an improved user experience with advanced functionality.

UNIVERSAL COMMS

Seamlessly connect to most pool automation systems with integrated universal communication technology.

POWERFUL PERFORMANCE

Elevated flow rates that are ideal for feature-rich pools including bubblers, sheers, laminars and more.

CONTROL FROM ANYWHERE WITH OMNI X APP AND GATEWAY*

- » Complete control from your smart device
- » Configure your equipment quickly and intuitively
- » Integrated user management tools for homeowners and pool professionals.

*Gateway sold separately

SWIMMING POOL
AND SPA PUMP 193E
ALSO CERTIFIED TO
NSF/ANSI/CAN 50

- » **Superior Performance** — Flow rates optimized for the most demanding applications.
- » **Total Control** — Advanced UI delivers simple and intuitive programming, along with the flexibility of Omni or OmniX automation.
- » **Drop-In Replacement** — Communicates with most Pentair and Jandy® pool controllers for retrofit on automated pads.
- » **Removable Strainer Housing** — TriStar XL model features a removable strainer housing that can be plumbed separately for maximum installation flexibility.
- » **Includes Standard Union Connections** — Enables quick connections for installation, maintenance, and repair.
- » **Totally Enclosed Fan-Cooled (TEFC) Motor** — Maximized reliability through resistance to water, chemicals, and heat.

SOLUTION FOR MULTIPLE APPLICATIONS

- ✓ Standalone or Automated Operation
- ✓ Large & Demanding Builds
- ✓ New Construction or Replacement
- ✓ Commercial Duty

UNIVERSAL AUTOMATION

Seamlessly connects with Hayward and competitive systems.

SUPERIOR PERFORMANCE

Ideal for feature-rich pools that demand high flow rates.

MOBILE APP CONTROL

Remote access for total control to program and diagnose issues from anywhere.

SIMPLE AND INTUITIVE OPERATION

One consistent user interface and experience across all products with the built-in universal display.

**PROUD
AMERICAN
COMPANY
SINCE 1925**

Founded in Brooklyn, New York in 1925, Hayward has grown from a humble American workshop into a global brand, proudly headquartered in Charlotte, North Carolina. From our earliest valves to today's smart, energy-efficient pool equipment, our mission remains the same: deliver top-quality products, delight customers, and create lasting memories around the water.
