TracJet™ Pressure Cleaner

EXPERT LINE®

ONLY FROM POOL PROS

3+ YEAR PARTS & LABOR WARRANTIES*

*When sold by a Totally Hayward® Partner. Exclusions, other terms and conditions may apply — visit hayward.com for details.

PUT THE PRESSURE ON DEBRIS.

Powered by your pool's pressure port, the Hayward TracJet is engineered with features that will give your pool an intensive clean. Modernized design constructed with thoughtful updates, bigger tracks and an optimized navigation allow your cleaner to maneuver over tough obstacles in a shorter amount of time. Give your pool's filtration system a break without going easy on debris.

- » **Universal hose connections** and updated float design conveniently snap onto your hose for powerful pressure cleaning.
- » **Tank track drive** increases agility and speed for a thorough clean in a shorter time.
- » **Optimized debris bag** features top open knobs and a twist lock bag for easy dirt disposal without putting a strain on your filtration system.
- » **Serviceable design** allows for easy access to the drive train, allowing for quick repairs.
- » **Three powerful jets** eliminate debris, even in hard-to-reach spaces.

SPECIFICATIONS

FEATURE	TracJet
PART NUMBER	TJP100C
POOL TYPE	In-Ground
POOL SIZE	Up to 20' X 40'
