

Pathway Bollard Light

Sollos® Landscape Lighting

Designed with elegance and simplicity in mind. Install this fixture to accentuate your garden space while providing pathway lighting to promote safety and security at night. Practical design easily illuminates the fixture with plug-in MR16 lamps. For those who would like added thematic effect, the Sollos ColorSplash® MR16 RGBW lamp can be dropped-in for full, brilliant, color-changing capabilities in addition to a classic warm white glow.

SPECIFICATIONS*
