

100W Integrated Transformer

Landscape Lighting Collection

100W INTEGRATED TRANSFORMER WITH BUILT-IN PHOTOCELL & TIMER

The upgraded Sollos 100W Integrated Transformer offers built-in photocell and timer features. Now offering enhanced durability and weatherability with a black powder-coated finish, this transformer is ready to handle any outdoor environment. A smaller footprint and large format terminal blocks allow for easier wiring for the installer.

Compact size for discrete installation.

Integral photocell and timer allow light fixtures to operate manually or automatically.

ASTM B117 tested for coastal environments and NEMA 3R Rated against rain, sleet, snow, ice, and dirt.

Resettable circuit breaker that prevents overloads and short circuits.

Automatic (A) "Dusk to Dawn" operation can be set to turn on at dusk and off automatically one to nine hours later.

Manual (O) Easy to use On/Off button.

6-foot Power Cord to plug into a 120V outdoor wall socket.

WARRANTY
Backed by a 2-year limited warranty to be free from defects in material and/or workmanship.
