

Replacement Cartridges

For All In-ground Cartridge Filters
DESIGNED TO MAXIMIZE PERFORMANCE OF HAYWARD FILTERS

BETTER MATERIALS, BETTER PERFORMANCE

Hayward® Genuine Replacement Cartridges are made with premium materials that meet the high performance standards set by the NSF—an independent quality and safety certification company—making them the only replacement cartridges that maintain the original filter fit and performance while providing multi-season durability.

FAST & EFFICIENT FILTRATION

With precision-engineered molded and extruded cores, Hayward cartridges provide maximum hydraulic efficiency, exceptional first pass debris removal, extended filtration cycles and reduced cleaning time—meaning the job gets done better, faster.

EASY TO PURCHASE & INSTALL

Available in economical 4-packs to accommodate multi-cartridge filters, Hayward cartridges are individually packaged with product information molded into their caps for easy identification as Hayward Genuine Parts. They're also compatible with any pool sanitizer.
