ProApp

## Unlocks Omni® Controls From Anywhere

For Pool Professionals

WORK SMARTER NOT HARDER

Unlock Omni® controls from anywhere with the Hayward ProApp Remote Configuration and Troubleshooting Tool

Work on your terms
Avoid 100-degree heat while working from your truck, home, office or anywhere convenient.

Less time configuring controls
Setup is a breeze when you can use default choices and saved templates.
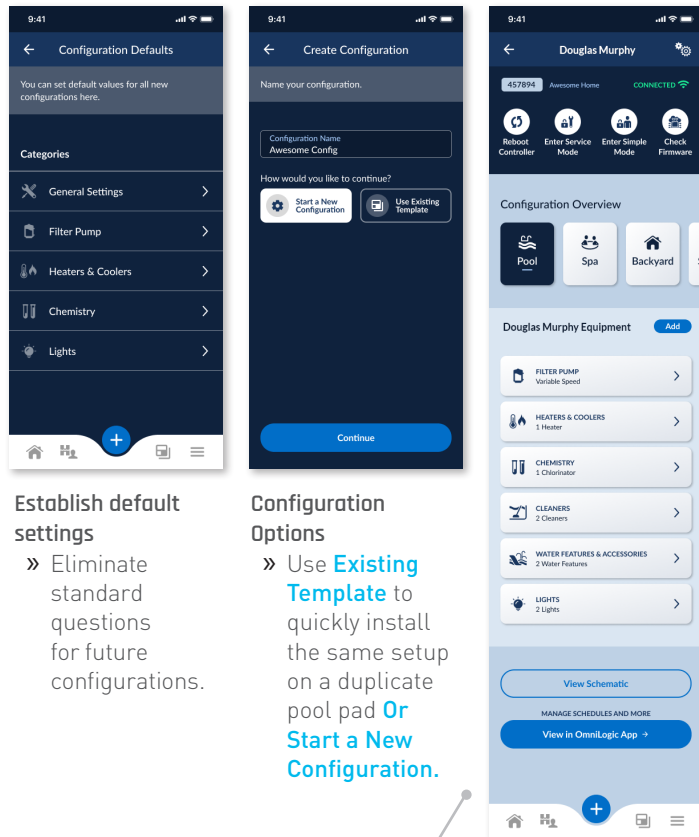

Maximize efficiency and profits
Take action in real time from anywhere and get more done during your day.

Customer Satisfaction
Faster response time and resolution is invaluable, especially during peak hours, weekends and holidays.
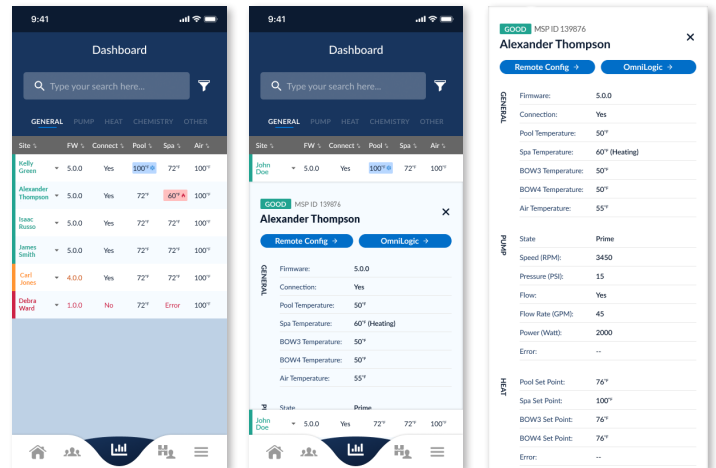

REMOTE CONFIGURATION

Establish default settings
» Eliminate standard questions for future configurations.

Configuration Options
» Use **Existing Template** to quickly install the same setup on a duplicate pool pad **Or Start a New Configuration.**

Configuration Set Up
» Review the system's bodies of water, backyard, sensors, and interlocks.
» Select equipment that you would like to configure for each and apply settings.

DASHBOARD

Monitor Pool Status
» Keep an eye on all accounts
» View Detected issues
» Request access from pool owners

Make Quick Fixes Remotely
» Easily adjust settings, via OmniLogic® control.
» Or, change the configuration.

View Settings
» Salt Levels
» Pump Status
» Water Temp and more.
