ENHANCES BETTER.

LED WATERBOWLS

NO POOL IS COMPLETE WITHOUT A STUNNING STATEMENT PIECE.

LED WaterBowls from Hayward make an elegant addition to any new build or renovation, helping to transform the space with a stunning architectural focal point. Built with soothing LED lighting that integrates seamlessly with Omni® automation and transitions effortlessly from day to night, WaterBowls are the perfect way for pool owners to add a personal touch to their backyard.

- » Compatible with Omni automation systems—including OmniDirect Mode™ for expanded lighting colors, dimming control, and more*
- » Water Fire mode: Light flickers red-orange to simulate fire in the Water Bowl feature; flicker effect can be toggled on/off when using OmniDirect mode
- » Square or round base shapes available in 2 different metallic composite finishes
- » Hand-painted, artisan bowls sculpted from durable, UV-resistant material

UNLOCK EVEN MORE FEATURES WITH HAYWARD OMNI.

With the addition of OmniDirect Mode, Hayward LED pool bulbs are optimized for use with Omni automation systems, providing more control than ever. Features of OmniDirect Mode include:

- » Instant navigation to desired colors or light shows (no more cycling through every option)
- » Dimming capabilities (20% increments)
- » Speed adjustment for light shows
- » Access to 10 additional colors for increased customization opportunities (special occasions, sports teams, school colors and more)
